

Sunnyvale Parent Preschool Statement of Responsibility

The Board of Directors and teachers of Sunnyvale Parent Preschool are concerned about our children's safety and security. The adult bringing your child to school must walk the child into the schoolyard and sign the daily attendance log. The log must then be signed again by the adult responsible for picking up the child from school. Please indicate your understanding of this responsibility by signing this statement.

I, the undersigned parent or guardian, have read the above statement and accept full responsibility for seeing my child (or children in my care) into and leaving from the schoolyard. I hereby agree to indemnify and hold Sunnyvale Parent Preschool and any officer/employee thereof harmless from and against any and all loss, damage, cost or expense for any injury which may be suffered by the undersigned student arising out of his or her proceeding to or leaving from the schoolyard.

Photo Policy

In a parent-participation preschool, photos are taken of the children singly and in groups by Sunnyvale Parent Preschool parents and staff. These photos are often posted at school, used in projects, and shared amongst preschool families. It is our intention to make parents aware of all the ways photos may be used.

Photos of classroom activities, projects, visitors and special events are shared with class members on the member-only portion of the Shutterfly Share Site (accessible only to members of Sunnyvale Parent Preschool who have been invited, and uses individually created passwords.) As a parent, I will not post any photos of other preschool children at preschool sponsored events on personal internet sites without the consent of the parents of that child.

Photos of children are also used as part of school materials (art project, etc.) and documents that are distributed only to Sunnyvale Parent Preschool members (such as newsletters, photo books, etc.). Some of these documents may be posted on the members-only portion of the Sunnyvale Parent Preschool Shutterfly Share Site.

No photos will be used in any public way (such as on a brochure, on the public pages of the school website, or posted in areas outside the classroom) without specific permission from the parents at the time of publication.

Please sign below to indicate that you have reviewed and agree to the Photo Policy at Sunnyvale Parent Preschool.
